COMMITMENT ACKNOWLEDGEMENT

Make sure that you and your parents/child understand the commitment required to be a member of the choir and the attendance and discipline expectations. Also, important to note that if any child leaves the premises while in our care, without written permission from a guardian, will result in expulsion from the Children's Music Ministry indefinitely.

You also understand that involvement in the choir is not just being part of an after-school activity, but rather a ministry of the Church. Members of the choir bring an offering of themselves to the table of the Lord each time they come together to lead our community in singing. Your commitment to the choir is a part of your overall commitment to stewardship, the giving of your time for service and ministry, for the building up of the kingdom of God.

VIDEO/PHOTOGRAPHY CONSENT

As parent/guardian, I understand that promotional pictures and videos (individual and group) will be taken throughout the year. I give permission for my child's picture to be used for newsletters, web pages, bulletins, calendars, power points, videos etc. to highlight our music ministry.
